Description

Tork Elevation line is a seamless and functional design series with a modern feel that fits into most washroom environments.

- Modern
- Functional design
- 2 design awards

Tork Elevation sensor foam soap dispenser delivers a touch free and luxurious experience. The sealed refill bottle with a single use pump enables quick and easy refilling. Another benefit with the sealed refills is that the risk of contaminating soap when refilling is eliminated, the sealed bottle also ensures original high quality Tork soap. 2500 doses of soap in a refill minimizes maintenance and LED indicators signals when it is time to refill soap or change batteries.
