

Kiilto Pro Green Liquid Textile Wash

Non-perfumed textile washing liquid

4093 0017

1.1.2021 Serto Pro is Kiilto Pro. Familiar and effective professional textile detergents get a new fresh look and become part of the Kiilto Pro product range designed for professionals. At the same time, the products are becoming more environmentally friendly.

Kiilto Green liquid textile detergent is made from plant-based raw materials and the product is both phosphate-free and zeolite-free. The product is also not made from raw materials of animal origin and is therefore Vegan-labeled. An Allergylabel has been applied for a non-perfumed and colorless product. Color protection keeps the colors of textiles bright.

Application

For washing textiles with different degrees of soiling. Suitable for washing white textiles and microfibers.

Product properties

Liquid textile washing detergent contains colour protectant that keeps textile colours bright. Due the colour protectant, product is suitable for coloured laundry which are including white. Do not contain dye, brighteners, perfumes, preservatives or bleaching agent. The product has Nordic Ecolabel.

Instructions for use

Dispense into the washing compartment. Take the quality of laundry and water hardness into consideration when dispensing. Washing cleaning textiles use only half of the recommended dose.

| Water hardness/°dH | Slightly soiled | Medium soiled | Very soiled |
|--------------------|-----------------|---------------|-------------|
| | ml / kg | ml / kg | ml / kg |
| < 6 | 4 | 6 | 8 |
| 6 - 13 | 6 | 8 | 10 |
| > 13 | 8 | 10 | 12 |

| Composition | Ingredient | Effect |
|-------------|------------------------------|---|
