Wall-mounted, stylish dispenser for Care Dose and Erisan Dose 400 ml personal hygiene products.

|                                      |   |        |        |       |        |       |       |
|--------------------------------------|---|--------|--------|-------|--------|-------|-------|
| <b>Application</b>                   | Hotels, spas, sport centres, toilets, saunas, showers, offices, schools, health care and for other sanitary rooms.  |        |        |       |        |       |       |
| <b>Product properties</b>            | <p>Durable, economical, stylish, and hygienic dosing solution for all public washrooms.</p> <p>Suitable for Care Dose and Erisan Dose personal hygiene products.</p> <p>Disposable, replaceable pack placed in the dispenser is long lasting, airtight and hygienic – the product remains clean and safe. Dosage cap gives 1,5 ml portion every time.</p> <p>The dispensing cap produces a single-dose of 1.5 ml.</p>     |        |        |       |        |       |       |
| <b>Instructions for use</b>          | <p>Screw fastening to the wall with a screw (back plate) and/or adhesive tapes. Cover parts are connected to each other and the product title (Soap, Hair &amp; Body, Shampoo) is pressed to the holes of cover.</p> <p>Installation: Insert the product package, and press the lid onto the case, the device is ready for use. Pressing the moving lower part of the lid, an approximately 1.5 ml dose is dispensed.</p> |        |        |       |        |       |       |
| <b>Note</b>                          | The dispenser is made from chemical resistant material and it can be cleaned with conventional cleaning agents. Made of high-gloss polyamide and recycled plastic. The kit includes mounting screws and adhesive tapes.   |        |        |       |        |       |       |
